

1. Unique identification of the product type: Machine strength structural timber
2. Intended use or uses of the construction product, in accordance with applicable harmonized technical specification, as foreseen by the manufacture: Load bearing structures.
3. Name, registered trade name or registered trade mark and contact address of the manufacturer: Westas Pihlava Oy, Ahlströmintie 50, 28800 Pori, phone +358 2 484 400, internet www.westas.fi
4. System or systems of assessment and verification of performance of the the construction product as set out in Annex V: AVCP 2+
5. In case of the declaration of performance concerning a construction product covered by a harmonised standard EN 14081-1+A1:2011
Finotrol Oy, Notified product certification body No. 2412, Teollisuuskatu 3-5, 50100 MIKKELI Finland has performed initial inspection of manufacturing plant and of factory production control and performs the continuous surveillance, assessment and evolution of factory production control under system 2+ and issued the certificate of conformity of the factory production control: 2412-CPR-3001.

6. Declared performances:

Essential characteristics	Performance	Harmonised technical specification
Wood species	Spruce (picea abies) and Pine (pinus sylvestris)	EN 14081-1+A1:2011
Growth area	North and northeast Europe	
Grading	Machine / dry grading	
Essential characteristic values based on standard EN 338 in each strength class	Strength class performance based on standard EN 338 in table 1, classes C 18, C 24 and C 30	
Reaction of fire	D-s2, d0	
Emissions of dangerous substances	NPD	
Wood destroying fungi	Class 4 EN 350	

The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 6. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 3.

Signed for and on behalf of the manufacturer by:

Pihlava 14.9.2020 Pekka Kopra, CEO
